NO ODDS OFFERED ON MONDAY NIGHT GRIPPING BOUT

Even Money Only Available,
As Far As Known, on Re-
sult of Mabee-MacDonald
Match.

Even money, no odds offered as far as known, is the dope in the betting on the Mabee-MacDonald wrestling bout, which is scheduled to happen in the Elks theater on Monday night, September 4. Batters of both men have placed considerable coin at even, and much more would be posted if odds were obtainable.

It has been agreed by the principals that there will be no ringside seats, all spectators being obliged to sit in the theater and not on the stage as has been possible heretofore upon payment of one additional piece of silver. The referee, timekeeper and trainers will be the only ones allowed on the stage, where the heavy work is to be done. The referee has not yet been agreed upon.

Burn McDonald and Mabee are still training hard for the match. The Scotchman is doing considerable road work while Mabee is working outside and in the gym also. MacDonald is being trained by Simon Deschler and Mabee has half a dozen men working out with him in his camp.

RUSSIAN LION WILL WIN FROM GOTCH ON LABOR DAY IS GENERAL BELIEF

Although it is almost a certainty that Frank Gotch is a superior man, mentally and physically, to George Hackenschmidt, there is an undercurrent of feeling among the fans of the country that the time has arrived around which the American will be compelled to submit to the Russian and that with the two men meet in the mat in Chicago's park in Chicago on Monday next, Gotch will be the contestant who will be shaped by the referee.

Frank Gotch has the most powerful grip in the world and a good lead on his shoulders. The American does a good deal of wrestling with his hands, not too something which many wrestlers fail to do. Gotch has the brains of the profession to train him, among them being "Fedor" Burns, one-time champion of the world and the man who developed Gotch into what he is today. Americans Jess Westergaard, Harry Hansen, James A. Smith and Fred Bell, both the men who threw Gotch in New Orleans and who

were then considered the quickest and most expert wrestlers in the world, still weigh in at 210 pounds, which is ten pounds lighter than when they wrestled Hackenschmidt three years ago. In the Hackenschmidt camp, the only trainer or not is Dr. C. P. Hobbs, who is not in good shape because of four or five operations performed during the year for blood poisoning. Hackenschmidt is not working very hard in the training camp and may have some trouble with Gotch. Both weigh twenty-two or thirty pounds more than Gowl and the Russian is probably the stronger of the two. Should Gotch win he will retire, the undefeated champion of the world and will retain the championship title for the United States. Gotch is a man of peculiar build. When seen in citizens' clothes he appears to have no particular muscular development, but when stripped, ready for a match, he displays wonderfully developed muscles and all indications of iron strength.

LABOR DAY SERIES WHITE SOX LEAD IN WITH AMARILLO BUYING PLAYERS ON PROGRAM

Albuquerque and Panhandle Aggregation to Play Three Games, Saturday, Sunday and Monday.

Comiskey Has Purchased Twenty-Six New Men, Exclusive of Those Reclaimed Under Option Clause.

Amarillo versus Albuquerque Saturday, Sunday and Monday, September 3 and 4. Baseball fans please take notice and cover yourselves accordingly. The Amarillo baseball club needs no knock down to Albuquerqueans. When here in July the Texans demonstrated their ability as baseball players playing clean, snappy, scientific ball. Decisions of the umpire taken without question, no gag chewing and no baby grandstand playing. The Albuquerque people are glad to welcome the Amarillo club back and will doubtless turn out in large numbers for the series, especially on Sunday and Monday. The Grays have been going at a good pace for the last four games, the fans have been getting more than the worth of their money in real baseball. There is every reason to believe that Amarillo and Albuquerque will hand out a fine line of the pastime during the Labor Day series. The Panhandle aggregation has annexed several of the city Amarillo club men, who will assist in making things very interesting for the locals. "Barney" McGrath, Western league, now owned by Sam Marcial, has accepted an invitation from Manager Dan Padilla to be with Albuquerque during the series. According to present schedule, Weeks will pitch Saturday; McGrath Sunday and both men will be in shape to take a crack at slab work on Monday if necessary. The Reuben being slated to pitch on Labor Day, however.

SPORTING EVENTS

HAPPEN IN CLOVIS

Chavis, N. M., Aug. 31.—One of the most exciting boxing bouts that have been pulled off at the club rooms took place last Saturday night before a large assembly of both men and ladies. The principal bout was an evenly matched affair between Melrose Higgins, a local lad of the welter-weight class and "Chicago Wilson," an old timer in the ring and a clever wielder of the mitts. The Athletic club is growing daily in popularity, and now that cooler weather will soon be on and amusement lovers will seek indoor recreation the H. M. C. will undoubtedly be the center of attraction. The managers of the club, Meares, Craft, Mathis and others, show every courtesy to members and one will find at the H. M. C. just those sort of fellas who tend to enliven good sport and assist in showing every one a good jolly time.

The first three games of the series will be played in Albuquerque on Friday Saturday and Sunday, Sept. 8, 9, and 10. The return games will be played in Amusement park, Las Vegas, one week later, Sept. 15, 16 and 17. Albuquerque will not be in as good
